BOARD MEETING DETAILS

May 10, 2021

Regular Board Meeting - 5:00 p.m. & Workshop to follow

To help prevent the spread of COVID-19 and to protect our more vulnerable members of the community, the Fond du Lac School District Board of Education is encouraging everyone to watch the regular Board Meeting and Workshop online at <https://www.fonddulac.k12.wi.us/BoardMeetings.aspx>.

Anyone who cannot access the meeting online or wishes to address the Board should attend the meeting in person in the District Administration Center Board of Education Meeting Room, 72 W. Ninth Street, Fond du Lac, Wisconsin. Attendees should use the parking lot located off of Linden Street. Enter the building using the Board entrance located under the green awning. Since the Board will be meeting in person, there will not be a virtual participation option.

In order to follow the social distancing and mass gathering guidelines from the Fond du Lac County Health Department, the Board of Education Meeting Room will have limited seating. **Face coverings will be required.**

To view the agenda for this meeting, go to <https://www.fonddulac.k12.wi.us/Agenda.aspx>

Speaking at Board Meetings: Individuals who wish to address the Board may do so during the portions of the regular meetings designated for the hearing of visitors and delegations. This item of the agenda is governed by Board Policy 0167.3--Public Comment at Board Meetings. "Audience to Visitors and Delegations" is an opportunity for citizens to address the Board on a subject on the agenda or any topic of concern. Board members will listen to the ideas presented but will not engage in dialogue. No action will be taken on an item introduced during "Audience to Visitors and Delegations," as state statute requires that action items be legally noticed prior to a Board meeting. When addressing the Board, persons should give their name and address. Individuals should then proceed to state clearly and concisely the matter(s) of concern.

Presenters are asked to observe the following timelines: 1) any citizen may make a presentation not to exceed five (5) minutes on any item, 2) any delegation, defined as more than two persons speaking on the same topic, may make a presentation not to exceed ten (10) minutes on any item. Those persons exceeding these timelines shall be interrupted as deemed necessary by the presiding officer.

The mission of the Fond du Lac School District, in partnership with the family and the community, is to promote high achievement and foster the continuous growth of the whole child, so that each becomes a creative, contributing citizen in a global society by providing personalized learning opportunities in a safe, nurturing environment.

April 29, 2021

Dear Wisconsin School Administrators,

Due to increased COVID-19 case activity in surrounding states, including Michigan and Minnesota, we wanted to provide schools with a situation update on COVID-19 to help ensure the health and safety of Wisconsin students:

COVID-19 disease activity

Surrounding states, including Minnesota, Illinois, and Michigan are experiencing a [high level of community transmission](#). Currently, [COVID-19 disease activity level in Wisconsin is 'High.'](#) COVID-19 variants are likely contributing to an increase in COVID-19 cases. Wisconsin has all 4 identified [variants of concern](#) circulating throughout the state. COVID-19 variants can spread more rapidly and easily than the original strain of SARS-CoV-2, the virus that causes COVID-19.

COVID-19 transmissibility among children and youth

Compared to other age groups, [people under age 18](#) make up the majority of new COVID-19 cases in Wisconsin. As of April 29, the [14-17 year old age group](#) account for the most cases of COVID-19 among children younger than age 18, followed by the 9-13 year old age group. Because most children are not yet able to get vaccinated, they are a population at risk of catching and spreading COVID-19, including variants of the virus that causes COVID-19.

COVID-19 vaccination efforts

Wisconsin continues to be a national leader in vaccine administration. As of April 29, 42.8% of the state's population has received at least one dose of vaccine, and 33% are fully vaccinated. **Although vaccination efforts continue to ramp up, most children are not yet eligible to get the COVID-19 vaccine.** Pfizer is the only vaccine authorized for individuals 16 years and older. As of April 29, [24.7% of people age 16-17](#) have received at least one dose of vaccine in Wisconsin.

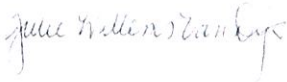

Help stop the spread of COVID-19

Because case activity is still high throughout our state, it is essential to continue COVID-19 mitigation strategies in schools and child care settings. A critical mitigation strategy continues to be wearing masks. The science is clear – masks work. According to a study published by CDC, [COVID-19 incidence among students and staff members was lower](#) than the county overall in 17 rural Wisconsin schools, where mask-wearing was common. That is why DHS is urging schools to continue mask wearing to slow the spread of COVID-19. In addition to masks, [CDC's new guidance on schools](#) offers important up-to-date guidance on additional measures schools can take to prevent infection.

DHS has also received federal funding to develop a program to [support school based COVID-19 testing](#) for teachers, staff, and students. Through this program, schools are immediately able to access Point-of-Care Antigen tests. DHS is developing more robust testing support for the 2021-2022 school year. Additional PCR testing supplies may be available for Spring and Summer 2021. More information will be shared as it is available. Participation in the program is voluntary and free of cost. If you have questions about the program, email DHSK12CovidTesting@dhs.wisconsin.gov.

For the latest COVID-19 information and resources for schools, please visit [DHS' website](#). Thank you for your continued leadership and dedication to keeping Wisconsin students, teachers, and staff safe during this unprecedented time.

Sincerely,

Julie Willems Van Dijk
Deputy Secretary

May 3, 2021

Dear Fond du Lac County School District Administrators,

Fond du Lac County Health Department (FCHD) appreciates all of your schools' efforts to make in-person learning a reality and keep our students, staff, families, and communities safe. Over the past year we have learned a lot together about COVID-19 and mitigation strategies. Based on what we currently know about COVID-19, we are adjusting the mitigation recommendations for our schools to meet mitigation strategies in a pragmatic and data-driven way to support moving forward with school activities in a safe manner.

First, face coverings work! We have seen a drastic reduction in transmission of the flu and other illnesses because of masking. Furthermore, we have seen very little, if any proof that a close contact to a person positive with COVID-19 in schools who is wearing a face-covering is resulting in the contraction of COVID-19. With this information, as well as knowing the importance of having students in school, we are updating our quarantine recommendations to include the considerations of face coverings.

- Schools should require students and staff to wear face coverings when indoors. While many school staff have been or have an opportunity to be vaccinated, we still have a large population under age 16 that remains at risk of catching and spreading the virus that causes COVID-19. We also need to consider students between the age of 16-18 who have not been vaccinated yet. In addition, physical distancing and cohorting are also not always possible in school settings. Face coverings remain an important and effective mitigation strategy.
- Schools that require face coverings will no longer have to quarantine students or staff that are considered close contacts unless symptoms develop.
 - If the person who is identified as the close contact was wearing a mask as well as the person who tested positive when the exposure occurred at school, the close contact does not need to quarantine. Both persons must have been wearing a mask to negate the need to quarantine.
 - FCHD recommends that school officials continue contact tracing for students and staff who test positive for COVID-19 and are wearing a mask. Students/staff who are identified as a close contact to the positive case and were not wearing a face covering or not wearing it properly will be required to follow quarantine guidelines.
- Schools that do not require face coverings are required to follow quarantine guidelines as set forth by FCHD and WI Department of Health Services.

Fond du Lac County Health Department is dedicated to supporting our schools and will continue to provide guidance to best help our schools stay safe, open, and ready for learning. We recommend school districts adopt a face covering policy for the remainder of the school year, including summer school. We continue to assess the situation and level of community transmission to guide our local recommendations.

Sincerely,

Kim Mueller
Fond du Lac County Health Officer

COVID-19 Data by School District Weekly Summary

May 4, 2021

Background Information and Considerations

This report provides data on confirmed COVID-19 cases from April 19 to May 2, 2021 for school districts located within the Fond du Lac County Health Department (FCHD) jurisdiction. Data may be underreported for recent days because test results can take multiple days to be reported to the health department. Data are subject to change as cases are investigated, for example as updates or corrections are made to case information. As this is a weekly report for the past 14 days, there will always be a week of overlap between reports.

The COVID-19 data provided in this report is specific to the FCHD jurisdiction (population: 105,269). It does not include data or cases for the portions of the school districts that fall outside of Fond du Lac County. It is important to note that some of the school districts in this report have a portion of the school district that falls outside of Fond du Lac County which may cause case counts for the past two weeks and case rates to be underreported. The burden status for those school districts should be considered with this in mind, that this report only accounts for case counts within the Fond du Lac County jurisdiction. FCHD only provides case counts, case rates, and burden status based on the jurisdiction of Fond du Lac County. School districts that have no schools located within Fond du Lac County are not included in this report.

Case rates fluctuate greatly with small population sizes. Interpret with caution, rely more on case counts and trend of case counts over time to estimate risks. Decisions about learning models for school districts should not be based solely on this data.

Confirmed Cases by School District for the Past Two Weeks (Apr. 19 to May 2, 2021)

	Case Count for past 2 weeks	Case Rate (per 100,000)	Burden*	Population**
Campbellsport School District	4	38.4	Moderate	10,421
Fond du Lac School District	61	114.8	High	53,143
North Fond du Lac School District	6	72.0	Moderately High	8,337

Oakfield School District	0	0.0	Low	3,276
Ripon Area School District	7	66.9	Moderately High	10,459
Rosendale-Brandon School District	10	174.8	High	5,722
Waupun Area School District	8	41.6	Moderate	19,251
Fond du Lac County	110	104.5	High	105,269

*Burden is based off of the case rate per 100,000 people in the past two weeks. Interpret with caution as case rates fluctuate greatly with small population sizes. Number of Confirmed Cases and Rate per 100,000 People by School District (SD) Geographic Boundary and Age Group in the Past Two Weeks (Apr. 19 – May 2, 2021)

	Campbellsport SD	Fond du Lac SD	North Fond du Lac SD	Oakfield SD	Ripon SD	Rosendale-Brandon SD	Waupun SD
Age Group	# of Cases	# of cases	# of cases	# of cases	# of cases	# of cases	# of cases
<5	0	0	0	0	0	0	1
5-9	0	1	0	0	1	2	1
10-14	0	8	0	0	1	1	1
15-19	0	10	1	0	0	0	0
Total 0-19 Cases	0	19	1	0	2	3	3
0-19 Population Case Rate (per 100,000)	0.0	35.8	12.0	0.0	19.1	52.4	15.6
0-19 Burden Status	Low	Moderate	Moderate	Low	Moderate	Moderately High	Moderate

Note: Rate is determined by # of new confirmed cases during the past two weeks divided by population in the school district geographic boundary multiplied by 100,000. Rates can fluctuate greatly with small population sizes making it difficult to call out high rates. Small population data may be more effectively looked at in a trend wise fashion.

Burden Status	Case Rate per 100,000 residents in the past two weeks
Low	Case rate is less than or equal to 10.
Moderate	Case rate is greater than 10, but less than or equal to 50.
Moderately High	Case rate is greater than 50, but less than or equal to 100.
High	Case rate is greater than 100.
Very High	Case rate is greater than 350.
Critically High	Case rate is greater than 1,000.

Note: Number of cases for each Burden Status refers to the number of cases during a two-week time span.

Dear President Jurgella and School Board Members,

After a great amount of thought and with mixed emotions, I have decided to retire on June 30, 2021. Over the past 32.5 years it has been my privilege to serve as a teacher and an administrator in the Fond du Lac School District. I am grateful for the many relationships with students, staff, and families that I have developed over the years.

It has been an honor to spend my entire career in the Fond du Lac School District; I have been afforded many opportunities as a teacher and as an administrator, including serving as the Interim Superintendent for the last year. During my career, I have seen many initiatives and changes in education. I am proud to have been a part of that work, and I know that you will continue to strive to improve outcomes for each and every student.

Finally, I would like to express my gratitude to the Board of Education and staff for allowing me to serve this District. I have and will always be proud to have been a member of the Fond du Lac School District as both a student and employee!

Sincerely,

Sharon Simon
Interim Superintendent

The mission of the Fond du Lac School District, in partnership with the family and the community, is to promote high achievement and foster the continuous growth of the whole child, so that each becomes a creative, contributing citizen in a global society by providing personalized learning opportunities in a safe, nurturing environment.

Date: April 6, 2021

To: CESA Administrators
CESA Board of Control Chairpersons
School Board Clerks

From: Carolyn Stanford Taylor
State Superintendent

Subject: Appointment of 2021 CESA Convention Representatives

The purpose of this notice is (1) to emphasize to each school board its statutory duty to appoint a member as its representative for the purpose of determining the composition of the board of control and (2) to cause a convention to be convened in accordance with s. 116.02, Wis. Stats.

Section 116.02(1)(c), Wis. Stats., calls for the state superintendent to cause the convening of a convention annually on the day that the board of control holds its organizational meeting under s. 116.02(1)(a), Wis. Stats., composed of representatives from each school board in the agency.

CESA administrators shall send a notice of the convention to each school district in the CESA. The chairperson of the board of control will call the convention to order and have the roll call of the official representative delegates. The first order of business is to elect a convention chairperson from the delegates.

The convention shall proceed as directed in s. 116.02(2)(1)(c), Wis. Stats.:

The state superintendent shall cause to convene annually on the day that the board of control holds its annual organizational meeting under par. (a) a convention composed of the representative from each school board in the agency. There shall be no more than one representative from each union high school district.

Section 116.02, Wis. Stats., in its entirety, reads as follows:

116.02 Board of control; membership (1)(a) Each agency shall be governed by a board of control composed of members of school boards of school districts within the agency. Annually on or after the 4th Monday in April, the school board of each school district in the agency shall appoint one of its members as its representative for the purpose of determining the composition of the board of control. For the purpose of determining membership on the board of control, a school district operating elementary grades only and lying in more than one union high school district shall be considered part of the union high school territory in which the major portion of its equalized valuation lies. The board of control shall hold an annual organizational meeting on or after the 2nd Monday in May. No annual organizational meeting may be held after the 2nd Monday in August.

(c) The state superintendent shall cause to convene annually on the day that the board of control holds its annual organizational meeting under par. (a) a convention composed of the representative from each school board in the agency. There shall be no more than one representative from each union high school district. The convention may direct the board of control to determine a different date for the annual organizational meeting.

(2) The annual convention shall establish bylaws for governing the agency, including bylaws for all of the following:

(a) Subject to sub.(1)(a), setting the date of the annual convention and establishing procedures for calling a special meeting.

(b) Providing for regular meetings of the board of control.

(c) Establishing an initial plan of representation for the agency and specifying how the plan may be amended.

(d) Specifying the number of members on the board of control.

(e) Specifying what constitutes a vacancy on the board of control and establishing procedures for filling a vacancy on the board of control.

(f) Specifying the officers on the board of control, establishing procedures for choosing those officers, specifying their terms of office and their duties and establishing procedures for removing them from office.

(g) Providing for the establishment of fiscal control, responsibility and accountability requirements.

(h) Designating a public depository.

**FORM FOR NOTIFYING SCHOOL BOARD OF
COOPERATIVE EDUCATIONAL SERVICE AGENCY CONVENTION**

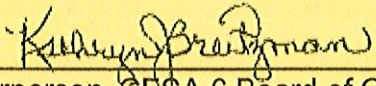

TO: District Clerks and Administrators of School Districts in Cooperative Educational Service Agency No. 6, State of Wisconsin

RE: In compliance with State Superintendent of Public Instruction Carolyn Stanford Taylor's request that the chairperson of the Cooperative Educational Service Agency indicate to you the date, hour, and place at which a convention of school district board representatives will be convened, the following information is submitted:

That Ted Neitzke is the Chairperson of Cooperative Educational Service Agency No. 6. That said Chairperson has determined that such convention will begin at 5:30 pm in the conference room of the CESA 6 Conference Center (2300 State Road 44) in the City of Oshkosh on Wednesday, June 16, 2021.

That arrangements have been made for such convention at the time and place indicated above, and

That you are requested to inform the member representative of your school board of the time and place of said convention.

Signed: 
Chairperson, CESA 6 Board of Control
